## Be Part of the Mission ...

Joining the *Friends of WG Harding* puts you front and center in our mission to discover and share the legacy of President and Mrs. Warren G. Harding, the times in which they lived, and the relevance of events in their lifetimes to our present-day world.

The *Friends* group is an integral part of the success of the Harding Sites, especially as an exciting new era begins with the opening of the Warren G. Harding Presidential Library & Museum and restored Harding Home. The *Friends* help address the financial needs of operating three Harding-related presidential sites (Harding library, Harding Home and Harding Memorial), and also usher you into a world of learning and volunteer opportunities.
